

SWISS

NATURAL CHEESE

Made with Local Milk

NO ARTIFICIAL Growth Hormones*

Passionate Cheesemakers

Since 1938

Our premium Swiss cheese displays a golden color, sweet, nutty Swiss flavor and has a smooth texture for superior slicing. It does not contain artificial colors, flavors or preservatives.

To meet our customers' expectations, our award-winning Swiss cheese goes through a strict grading procedure before shipping. It is proudly made in Luana, Iowa.

Prairie Farms cheesemakers are the best in the industry and our reputation for quality is recognized at state, national and regional contests year after year.

*The FDA has determined that no significant difference has been shown between milk derived from artificial growth hormone treated and non-artificial growth hormone treated cows.

Since our founding in 1938, Prairie Farms has always been owned by dairy farmers. The high-quality milk produced on our farms is sent to our farmer-owned facilities for production and packaging.

We are 100% in control of the farm-to-table cycle.
